**G**olf's generation next from the western region of the country is all set to give the glimpse of the future as they get set to tee off for back-to-back championship in The Evolution Golf West Zone Sub-Junior and Feeder Tour 2014 that will be held in the city.

Gulmohar Greens Golf and Country Club is hosting the sixth leg event from September 19 to 21 while Kalhaar Blues and Greens will host the seventh leg of the event from September 22 to 24.

Started by the Indian Golf Union three years back, the tour aims to take the sport to the grass roots and give the juniors more opportunity to hone and display their skills.

While the girls are allowed to take part in the National Zonal finals directly, **only the top five boys, in A and B categories, and top four, in C and D categories, based on the performance of their best five events, make it to zonal finals, where they battle it out to play in the nationals.**

While the top sub-junior players are selected to represent the country, the juniors who make it to national merit list get full exemption for the following year.

*Congratulations to Mohnish Shah and his Parents.*
